ESTIMATING AND MEASURING

With a partner, choose an object in the classroom and estimate its measurement using different equipment. Then measure the object.

Object	Unit of Measurement	My Estimate	My Measurement
	Cubes	Cubes	Cubes
	Counters	Counters	Counters
	Books	Books	Books
	You choose a unit of measurement		
	You choose a unit of measurement		

What do you notice about each measurement? Discuss this in your group.
