

Coach Parking for visiting the Spinnaker Tower

It is possible to drop off and pick up at Gunwharf Quays (at the back of Marks & Spencer's) at no charge; however a 15 minute window for a drop off and pick up applies. You must then move your coach to the designated coach parking area.

Depending on your plans there are two options available.

1. We are delighted to have secured access to one of the coach parking bays within the turning circle at the back of Marks & Spencer's. This space can only be reserved in conjunction with a visit to Spinnaker Tower and is subject to availability. If you would like to reserve this please notify our team at the time of booking and we will contact our partner Land Securities and check availability and then come back to you. A £5.00 pay and display charge will apply.
2. Portsmouth City Council make a charge for parking at any of their sites. The current cost is £1.00 per hour up to 4 hours and over 4 hours the full days charge applies of £5.00.
