

Name: _____ Number on your porthole: _____

A porthole is a window on a boat/ship. Stick your porthole on our windows and draw below what you can see 'Through the Porthole' today.

Write down five things you can see through your porthole,
i.e. the sea?

Your porthole is a circle. What other shapes can you see today?
Draw the shapes you can see, remember to look both at the view
and around the view deck.

There are lots of different ways to travel around Portsmouth, how
many of the following can you see today? Can you do a tally of
what you see then add them up?
